FACTUAL ALLEGATIONS

8. On November 5, 2014 at or around 8:45 a.m., Plaintiff was traveling north on foot in a designated crosswalk at the intersection of Broadway and 21st Streets in Oakland, California.

9. As the light for her turned green, Plaintiff proceeded through the crosswalk.

10. Plaintiff was halfway through the intersection when she was hit from behind by a vehicle driven by Mr. Fairries. At the time, Mr. Fairries was operating an FBI vehicle and performing the duties of an employee of the federal government.

11. The impact from the vehicle caused Plaintiff to slide and spin off of the hood of the car and fall to the ground.

12. Upon falling, the front wheel on the driver's side drove over Plaintiff's right foot, breaking it and tearing her skin.

13. Plaintiff was then transported to the emergency room at Kaiser in Oakland via ambulance for treatment where it was discovered that she suffered a complete fracture of the second metatarsal in her right foot with a subsequent spiral fracture extending up into the M2 bone.

1 14. It was determined by the Oakland Police Department that the driver, Bertram
2 Fairries was at fault for failing to yield to a pedestrian in a crosswalk and was cited under
3 Vehicle Code 21950 (a).

4 15. Plaintiff required significant medical care after this incident and has thus incurred
5 significant medical expenses. Plaintiff continues to experience joint pain, painful scar tissue,
6 swelling in her foot and ankle, as well as suffers from fear and anxiety when crossing the street.

7 16. Plaintiff requires further medical care as a result of this incident, including but not
8 limited to, reconstructive surgery of torn ligaments.

9 17. On or around June 1, 2015, Plaintiff filed a Claim for Damage, Injury or Death.

10

12 **NEGLIGENCE**
13 **(AGAINST ALL DEFENDANTS)**

14 18. Plaintiff incorporates by this reference each and all of the allegations

16 though set forth at length herein.

17 19. On or about November 5, 2014 at or around 8:45 a.m., Plaintiff was walking
18 in a designated crosswalk on or near Broadway Street in Oakland, California.

19 20. At the time, Mr. Fairries was an employee of the FBI and was operating his
20 FBI vehicle in the regular course of business.

21 21. While Plaintiff was lawfully walking in the crosswalk, Mr. Fairries struck
22 Plaintiff.

23 22. Defendants were careless and negligent in the ownership and operation of its

25 23. As a direct and proximate result of said collision, Plaintiff was caused to
26 sustain painful bodily injuries, including but not limited to multiple fractures, torn ligaments and

5 required to and did employ physicians for medical examination, treatment and care of the
6 aforementioned personal injuries, and has incurred and will continue to incur medical,
7 rehabilitation and incidental expenses for the care and treatment of said injuries, the exact
8 amount of which are unknown at the present time. Plaintiff prays leave to amend this Complaint
9 to allege the amounts of such expenses when the same have been fully ascertained.

11 them, as fully set forth below.

17 forth at length herein.

18 27. When Defendants, and each of them acted and/or failed to act toward Plaintiff as
19 alleged within this complaint, Defendants reasonably should have known that Plaintiff would
20 suffer extreme emotional distress and harm as a result of such acts or failures to act by
21 Defendants.

22 28. As a direct and consequential result of such actions, or failure to act by
23 defendants, and each of them, Plaintiff has suffered extreme emotional distress to her person as a
